Can you help me try to raise £20,000 in 1 year?

I am trying to raise money for the Heart Charity that helped my 6 month old son fight his early battle with heart problems. You will see the logo to my left throughout this Ebook. Please give whatever you can and hopefully it will help people the same way as my family were helped. Please visit: www.justgiving.com/nathankaye or click the CHA Logo for more details.
