

# Branding Your Copy Of "Tangible Profits Blueprint"

If you do not have a Brandable copy of the report or the brander, you can obtain one from:

<http://www.tangibleprofitsblueprint/reseller.htm>

Open up the PDFBrand.exe software that came with your purchase.

Either drag and drop the brandable PDF into the open branding software or use the OPEN button.

Enter your JVManager2 ID for our affiliate program. You can obtain this by joining our affiliate program at:

<http://digi-sell.com/jvm2/114hi/order>

Enter your Learn-The-Basics.com ID for our Learn-The-Basics.com affiliate program. If you don't have an ID already you can join from:

<http://www.Learn-The-Basics.com>

Once the Ids are entered, click the BRAND button.

Then be sure to SAVE your PDF and distribute THAT to YOUR customers. Just be SURE to give them this document so they can get their own brandable version of the report.
