

Ghost-Centration:

Object of Game: To guess pairs of hidden objects. Like the "Concentration " game.

Preparation:

1. Take twelve post-it notes.
2. Using a crayon or marker, number each post -it note from one to twelve on the front, non-sticky side.
3. On the other side, put on two cards each the words: Ghost, Pumpkin, Witches, Goblins, Treats and scarecrows. Make sure each pair not in numerical order.
4. You can make up any pairs of names you want.
5. Put the post-its on a wall in two or three rows in numerical order.

Playing the Game:

1. Each player takes a turn asking for two numbers to be turned over.
2. If there is a match, the player wins a piece of candy.
3. The play goes on to the next player whether or not a match is made.

Tip: For older "kids", use more than twelve post-it notes.
